WHAT IS CELEBRATED ON APRIL 6TH?

We celebrate the "International Day for Sport for Development and Peace"! This day comes after the UN General Assembly together with the International Olympic Committee declared it on August 23rd 2013!

WHY DO WE CELEBRATE APRIL6?

Because sport, as a tool for education, development and peace, can promote cooperation, solidarity, tolerance, understanding, social inclusion and health at the local, national and international levels!

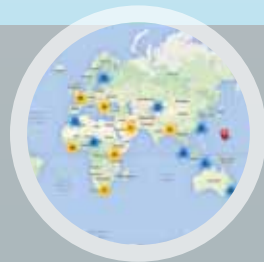

HOW TO BE PART OF WHAT MATTERS ?

Celebrate "April6" simply by visiting our platform: www.april6.org, deciding on your project and taking #whitecard pictures! Our goal is to create an international mobilization around this day and monitor all celebrations!
