Welcome ^{to} Peace and Sport Regional Forum

Peace and Sport and the South Aegean Region of Greece are delighted to welcome you to the 2018 Peace and Sport Regional Forum which will take place on the island of Rhodes on 18 October Under the Auspices of H.E. the President of the Hellenic Republic Mr Prokopios Pavlopoulos.

Following the success of the 10th Peace and Sport International Forum in 2017, the 2018 Regional Forum will convene 350 major decision-makers from across the Mediterranean region to address the following theme: *"Societies in motion: rising up through sport"*.

In the symbolic venue of Greece - the cradle of Olympism and a pivotal crossroads between three continents, this event will bring together regional leaders including Heads of State and Ministers, sport governing bodies, high-level athletes, international organizations, NGOs and Academia, alongside Champions for Peace to focus on regionally-based initiatives and peer learning, with the objective of sharing best practices and identifying major regional and sub-regional trends to trigger new thinking for long-term effect in the wider world.

In this respect, the Rhodes 2018 Peace and Sport Regional Forum will enable building synergies and partnerships and promoting policy dialogue to maximize the use sport for positive change.

George Hatzimarkos Governor of the Region of South Aegean

Joël Bouzou President and Founder Peace and Sport

Dear Guests and Delegates,

It is with great pleasure that we welcome the Peace and Sport Regional Forum "Societies in Motion: Rising up through Sport" at the island of Rhodes. It is the first time that this important event, promoting the noble principles of cooperation and peace, will be organized in Greece. The country where the very idea of Sport for Peace and even Peace through Sport was born, nourished and even reborn. What is more, on an island that has been a crossroad of cultures and ideas over time.

The island of Rhodes is the ideal place to highlight the forum's main goals: to promote actions for peace through sport and social inclusion, to identify regional challenges and build synergies that encourage the inclusive impact of sport for society.

With these thoughts and emotions we welcome you on board and wish you enjoy this great event.

Dear Delegates, Dear Friends,

I am honoured to welcome you to this very special Peace and Sport Forum. Following the success of 10 editions of our International Forum, this year the event will be held on a local level in Greece, in partnership with the South Aegean region. A new venue but the same purpose: bringing together key leaders to discuss how to tackle social challenges through sport. By choosing to hold the event in Rhodes, we want to send a strong message about significant regional challenges, with the conviction that all States, NGOs and athletes should share the same values and move towards one goal: peace.

I invite you all to share best practices and to get nourished by all these discussions, debates, and real-life testimonies. Immerse yourself in everyone's experiences and enrich yourself with the words of speakers who have come from many different countries. I wish you an excellent Peace and Sport Regional Forum 2018!

The mediaeval Old Town, the port of Mandraki, the Acropolis of Lindos, the ancient cities of Kamiros and lalysos, the Valley of the Butterflies. A landscape with eye-catching, generous natural beauty, a rich history and endless attractions make Rhodes one of the most popular holiday destinations in Greece. Vast sandy beaches, emerald waters, castles and ancient civilisations, gourmet restaurants and traditional tavernas serving local delicacies.

Luxury resorts and villages where women still bake bread in an outdoor wood-burning oven. A beautiful mosaic of cultures. A timeless destination in the Dodecanese, popular since the Roman ages. Travel to the island of knights, the island of the mythical Colossus of Rhodes, the island where Byzantines, Greeks, Venetians, and Turks all left something to remember them by. Where the Aegean meets the Middle East, one of the most famous and soughtafter holiday destinations in Europe.
