## Peace and Sport magazine highlights stories of Peace through Sport.

From exclusive interviews with champions to spotlights on local stories, this magazine is a leading information resource within the Sport for Development and Peace ecosystem.

By combining Peace and Sport's expertise, the experience of on-the-ground actors, and the impact of athletes, Peace and Sport offers a unique communication platform for Peace through Sport.

“ *Together, let's continue to make sports a force that brings people together and drives the change the world needs now more than ever.* ”

- Joël Bouzou, OLY  
President-Fondateur de Peace and Sport
